

COMMENTS AND COMPLAINTS GUIDANCE LEAFLET

LET US KNOW ABOUT IT

We aim to provide a first class service to tenants, housing applicants, factored owners and others who use our services. There may be occasions, however, when our service falls short of our Service Quality Guarantee or when you may have suggestions for improvement. There may also be times when you would like to tell us that you are happy with the service you have received.

Your comments, suggestions and complaints are important to us, as they help us improve the services we provide.

Our Management Committee has reviewed the Comments and Complaints Policy¹, taking account of feedback from the ATC² and Consumer Panel³ and also considering the model complaints procedure introduced by the Scottish Public Services Ombudsman (SPSO). This leaflet explains how to provide feedback and confirms what we will do with the comments, suggestions and complaints we receive.

TAKING YOUR VIEWS SERIOUSLY

Feedback from you is the best way for us to check if we are doing things right. If you take the time to give us your views, we will make sure they are acknowledged, properly considered and responded to within a set timescale.

All feedback we receive is centrally recorded and reports are given to our Management Committee on the numbers and type of feedback items received, our speed and success in responding to feedback and any lessons we have learned. This information is also reported through our Newsletter and Annual Report on the Charter (ARC).

THE FEEDBACK FORM

To formally record your feedback, the first step is to complete a Feedback Form. The Form can be used for making a comment, a suggestion or a complaint. A copy is attached. If you need further copies you can get one by:

- calling in person at our offices (addresses overleaf)
- telephoning or writing in for one to be sent to you
- sending an email to admin@glasgowwestha.co.uk
- downloading a copy from the PUBLICATIONS section of our website www.glasgowwestha.co.uk

If you require this document in a different format or font, please contact the office and we will do our best to accommodate your request.

If you would prefer, you can send in a letter or you can pass your comments to us over the phone and, if necessary, a form will be completed on your behalf (and a copy sent to you). Alternatively, you may prefer to email your feedback to us. If you need interpreting services or if you need the information to be presented in a different format (e.g. Braille) we will be happy to make arrangements for this.

WHEN NOT TO USE THE FEEDBACK FORM

If you want to make a complaint about one of your neighbours, do not complete the Feedback Form. Instead, you should contact the Tenancy Services staff directly 0141-331 6651.

If you are making a complaint about the conduct of a staff member, you should mark your envelope as “Private and Confidential” and for the attention of the Human Resources Officer (HRO). The HRO will ensure your complaint is directed to the Line Manager of the person you are complaining about.

If your complaint is about a matter that has already been the subject of Stage Two of our Complaints Process and we have given you our response, it is unlikely to be revisited by the Association.

WHAT YOU CAN PROVIDE FEEDBACK ABOUT

You can provide feedback about any aspect of our service. If it is a complaint, it may be that you are unhappy

- if a repair has not been carried out properly
- if you have not received information you asked for
- if you feel a member of staff, a committee member or a contractor has not behaved acceptably towards you
- if you feel your housing application has not been handled properly

We will always try to deal with complaints sympathetically, but there are some things we will not be able to give you information about. For example, it would be wrong for us to discuss with you the details of someone else’s housing application, as this would be a breach of confidentiality. We can, of course, talk to you about how our allocations procedure works.

We will endeavour to respond to all feedback we receive, however, in instances where the issue refers to a matter dating back more than 12 months, the extent of our investigations and the detail of our response will be determined by the availability and accessibility of information.

OUR RESPONSE

When we receive your feedback, we will decide whether it is recorded under Stage 1 of our Comments and Complaints Procedure (this is known as frontline resolution) or whether it requires investigation under Stage 2. In some cases, your complaint may bypass Stage 1 altogether. In any event, we aim to respond promptly to all feedback to ensure that, wherever possible, problems are quickly resolved. Where you have made a suggestion for a change in how we do things we will let you know how we might do things differently in future or we will explain why this is not possible. If we feel you are being unreasonable, we will say so.

The response to your feedback will normally come from the staff member with day-to-day responsibility for the service and will be issued within 5 working days. This will be Stage 1 of our Comments and Complaints Procedure. In exceptional circumstances, the Service Manager may need to agree with you an extended timescale for response and this will generally be, at most, an additional 5 working days.

If you remain unhappy with the Stage 1 response, your concerns will be referred to Stage 2 of our Comments and Complaints Policy.

TAKING THINGS FURTHER

Stage 2 is the final stage of our internal complaints process and will generally involve an investigation or review of your complaint. Where the complaint relates to an operational matter, our response will be approved by the Service Manager or Divisional Director before it is issued to you.

If you request a Stage 2 review, you will receive an acknowledgement letter within 5 working days: this letter will confirm who is responsible for the investigation and will provide a timescale for response, which will generally be within 20 working days. Due to the complex nature of Stage 2 investigations, it may not always be possible to respond within 20 working days and in this case we will agree alternative timescales with you.

Strategic matters, or those with significant policy implications, are likely to be referred to a Review Panel. The Chief Executive will determine whether a Review Panel is required. Where the Stage 2 involves a Review Panel, it will consist of the Chief Executive and Members of our Management Committee who are voluntary, elected, shareholding members of the Association who oversee the running of the organisation and have ultimate responsibility for the service provided. Management Committee Members are generally local people and are often Association tenants themselves.

You will be invited to attend the Review Panel Meeting and you may bring someone with you for support. This may be a friend, relative or an independent advisor. We would not normally expect solicitors or legal representatives to attend these Meetings.

In some cases the Association may also invite an independent representative to attend the Meeting to act in an advisory capacity.

Within 5 working days of the Review Panel Meeting, you will receive a letter advising when a full response will be issued.

EXTERNAL REVIEW

If you are unhappy with the outcome of our Stage 2 investigations, you may have the right to take your complaint to the Scottish Public Services Ombudsman (SPSO) or, if you own your home, to the Housing and Property Chamber First-tier Tribunal for Scotland. We will co-operate with investigations carried out by the SPSO or Housing and Property Chamber First-tier Tribunal for Scotland.

SCOTTISH HOUSING REGULATOR (SHR)

If you are a tenant (or an individual or group representing tenants), and you have **significant** concerns about the way we operate, you have the right to report this to the SHR. You should raise your concerns with us in the first instance to give us a reasonable time to respond and/or fix the failure. A **Significant Performance Failure (SPF)** is not an individual tenant complaint about services. SPFs relate to service matters that affect **many or all of our tenants** or to governance and financial matters, for example:

1. Failing to carry out health and safety requirements such as annual gas safety checks.
2. Not maintaining tenant homes or carrying out repairs in line with published responsibilities.
3. Failing to have appropriate governance and financial procedures in place or apply them; or
4. Not consulting tenants about issues such as proposed rent increases and other policies that affect them.

The simplest way to report a **SPF** is to complete the form on the SHR's website www.scottishhousingregulator.gov.uk and then email it to shr@scottishhousingregulator.gsi.gov.uk. You may also report your concerns, or seek further information by telephone, fax, letter, or email.

CONCLUDING YOUR FEEDBACK

Once we have responded to you, we will keep your case open for one month to give you the opportunity to consider whether you wish to take the matter further. If we do not hear from you within the month, we will close the file. We will write to you at this stage to ask for your comments on your experience of the process. Your comments will enable us to continually improve and update our service provision.

YOUR RIGHT TO PRIVACY

We will, as far as possible, respect the confidentiality of your correspondence. Whilst we are looking into the issues you have raised, your name will not be divulged any more than is absolutely necessary within the Association.

If you progress to the Review Panel Stage, then the Review Panel members will know who you are, but this will not be divulged to other members of the Association's Management Committee.

GETTING INDEPENDENT ADVICE AND SUPPORT

We aim to make the Comments and Complaints process as user-friendly as possible. There may be situations, however, when you feel the need for independent support and advice in raising an issue with us or in representing your case at an Appeal hearing. You can be represented by anyone you choose but you may find it helpful to contact one or more of the organisations listed below, all of who provide services to people in the local community:
